DeskCharm for Teams

Gentle wellness nudges your people actually enjoy, fully private.

Free 30-day pilot · Windows

THE PROBLEM

Teams sit too long and forget the basics

Body

Long sitting, poor posture, little water.

Mind

Back-to-back meetings, little time to breathe or reset.

Programs

Wellness programs are often unused because they live outside the workday.

HOW IT WORKS

A charm on every desk

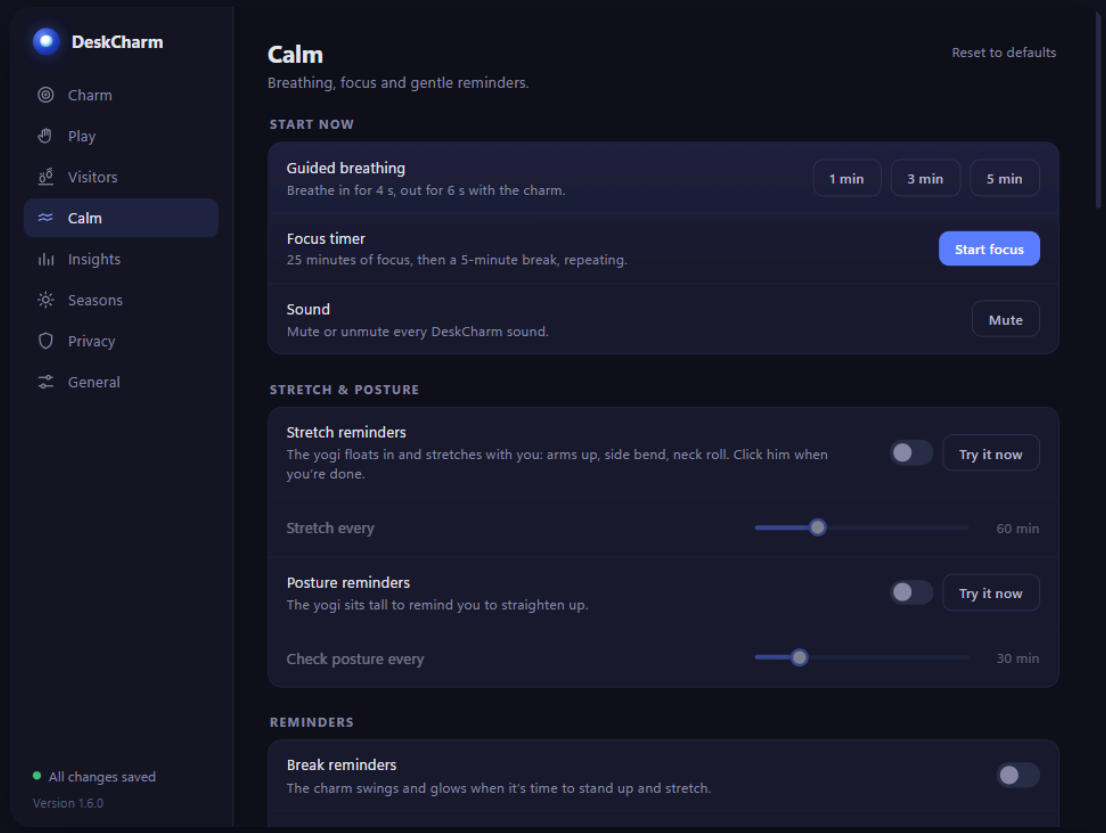

- Lives right where people work
- Friendly, not a nagging alarm
- Fun enough that people keep it on

NUDGES

Breaks, posture, water, mood, focus

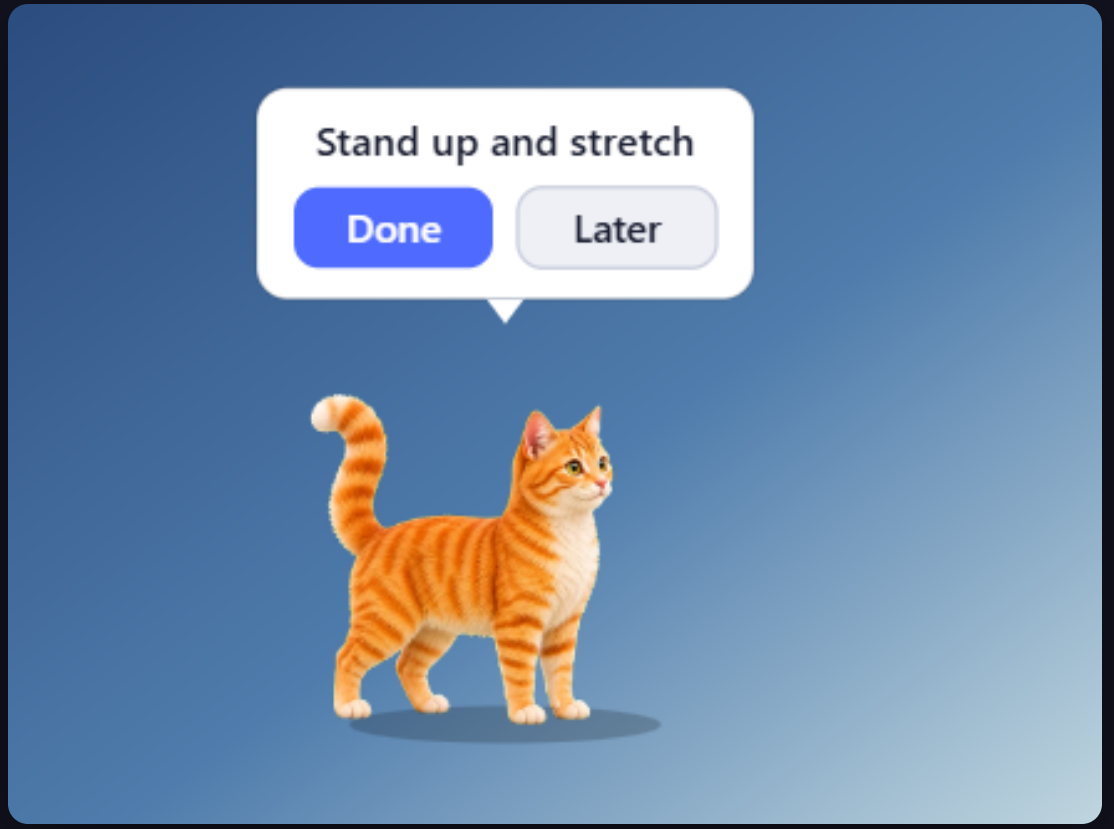

- Break and posture reminders
- Water with Vijay the visitor
- Breathing, mood check-ins, focus sessions

MEETING-AWARE

Quiet when it matters

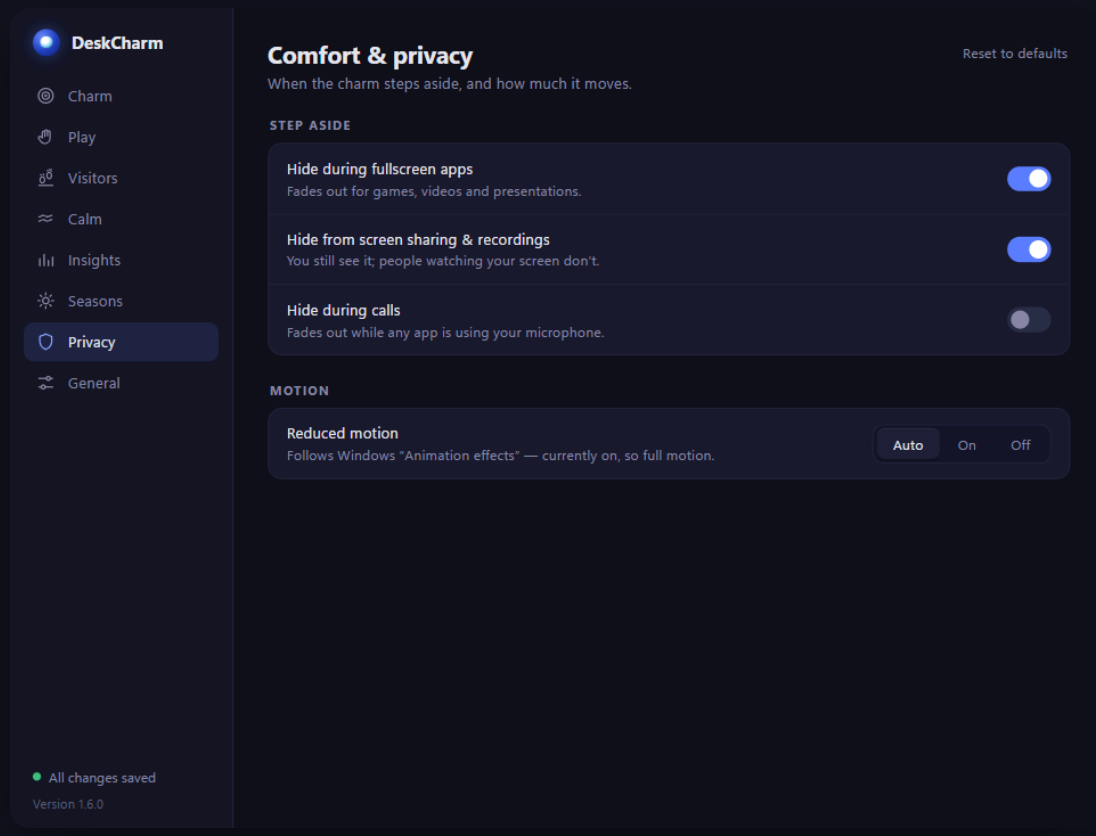

- Holds nudges during meetings and full-screen work
- Optional calendar link (opt-in)
- Never interrupts a presentation

PRIVACY FOR EMPLOYEES

Nothing is tracked by the employer

- All data stays on each PC
- No accounts, no dashboards of individuals
- Team summary will be opt-in and anonymous (planned)

ROLLOUT

Simple to roll out

Install

Standard Windows installer. Store packaging ready.

Share a config

Use settings backup to export one team configuration and import it on every PC.

Later

Central settings management is planned.

PILOT OFFER

Free 30-day pilot

Who

3–5 companies, any team size that works at desks.

What you get

DeskCharm for the team, a shared config, and direct founder support.

Cost

Free during the pilot. Pricing comes later, shaped with pilot partners.

WHAT WE MEASURE

Self-reported, never tracked

Start survey

Short anonymous survey on breaks, water, stress and comfort.

End survey

Same questions after 30 days, plus what people liked.

Shared result

An aggregate summary for the team. No individual data.

NEXT STEPS

Start in a week

1. Call

30-minute chat to fit the pilot to your team.

2. Setup

We prepare the team config and install guide.

3. Pilot

30 days, start and end survey, shared results.

Let us talk

Bring a calmer desk to your team.
