DeskCharm

A little charm for your desktop that keeps you calm, watered and smiling.

Free beta for Windows · v1.6.0

WHAT IT IS

A charm that hangs on your screen

- Nazar, temple bells, Ganesha and more hang above your windows
- It sways with real physics when you move it
- Click through to your work, it never gets in the way

WHY IT IS FUN

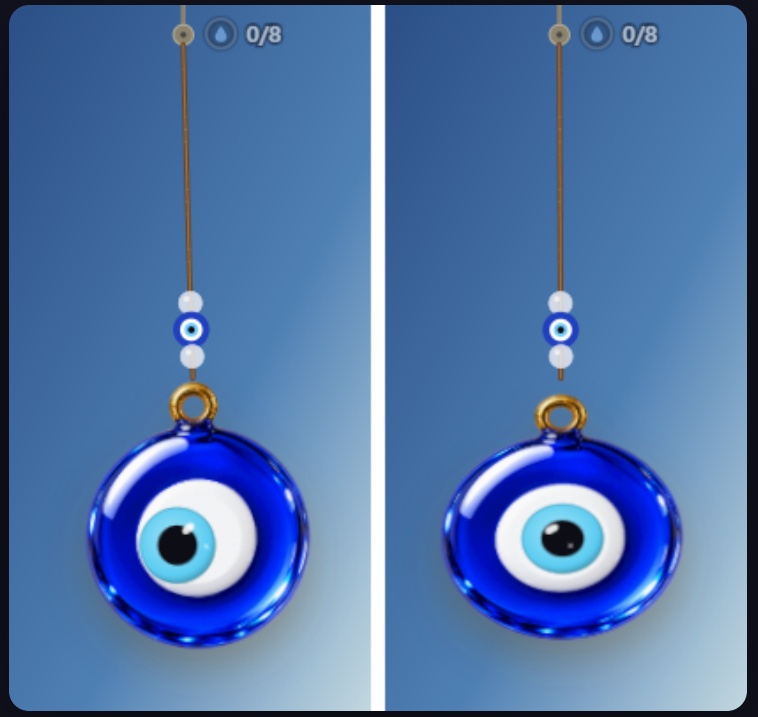

Drag it, fling it, squeeze it

Drag

Fling

Squeeze

VISITORS

Friends drop by, like Vijay with water

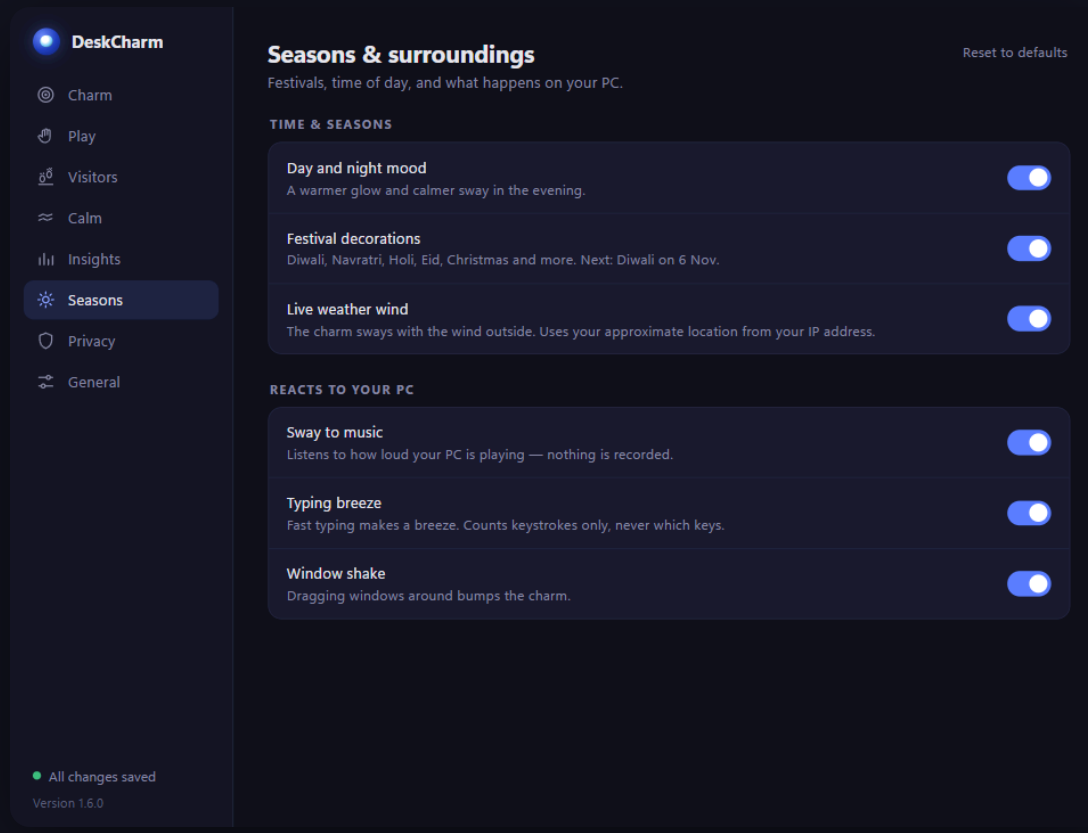

- Visitors walk onto your screen with a gentle ask
- Vijay reminds you to drink water
- All visitors are free

CULTURE MOMENTS

Diwali, Holi, Pongal, Christmas

- Festival decor arrives on the day
- Tamil and Indian culture at the heart
- Charms that feel like home

CALM TOOLS

Breaks, water, breathing, mood

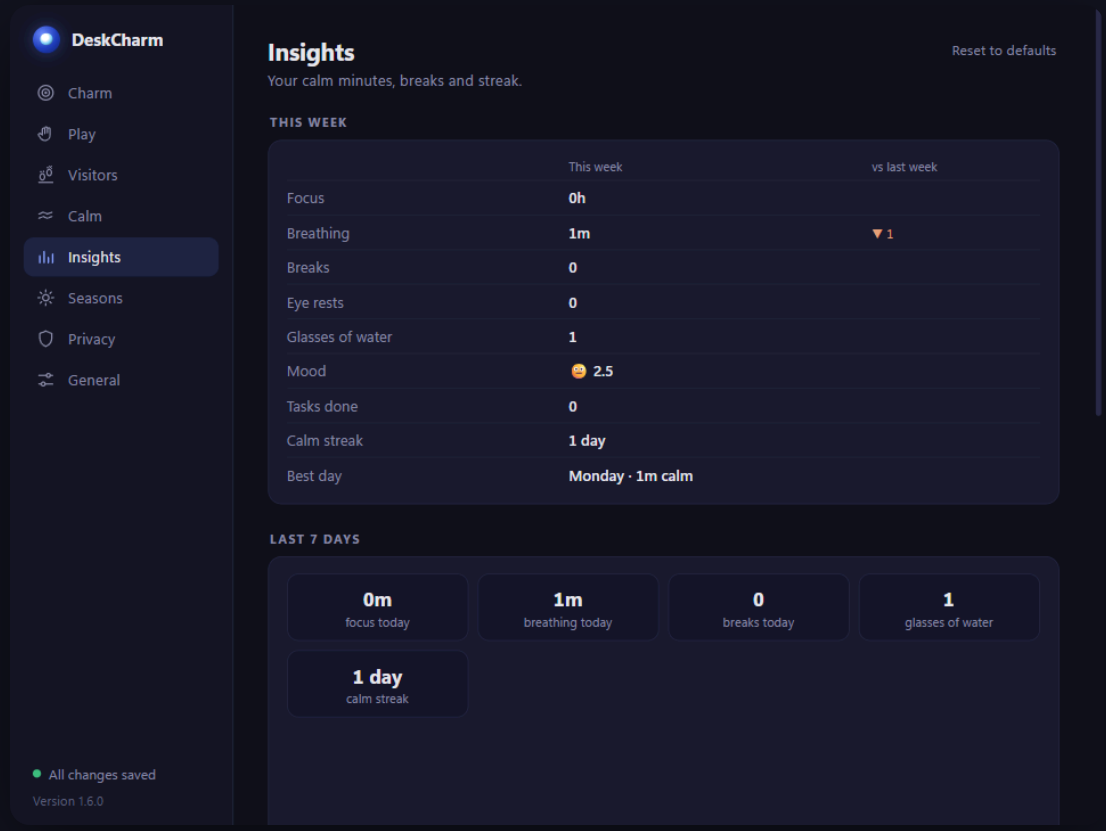

- Gentle break and posture nudges
- Guided breathing on the charm
- Mood check-ins, focus time, reminders
- Quiet during meetings

INSIGHTS

See your week, kindly

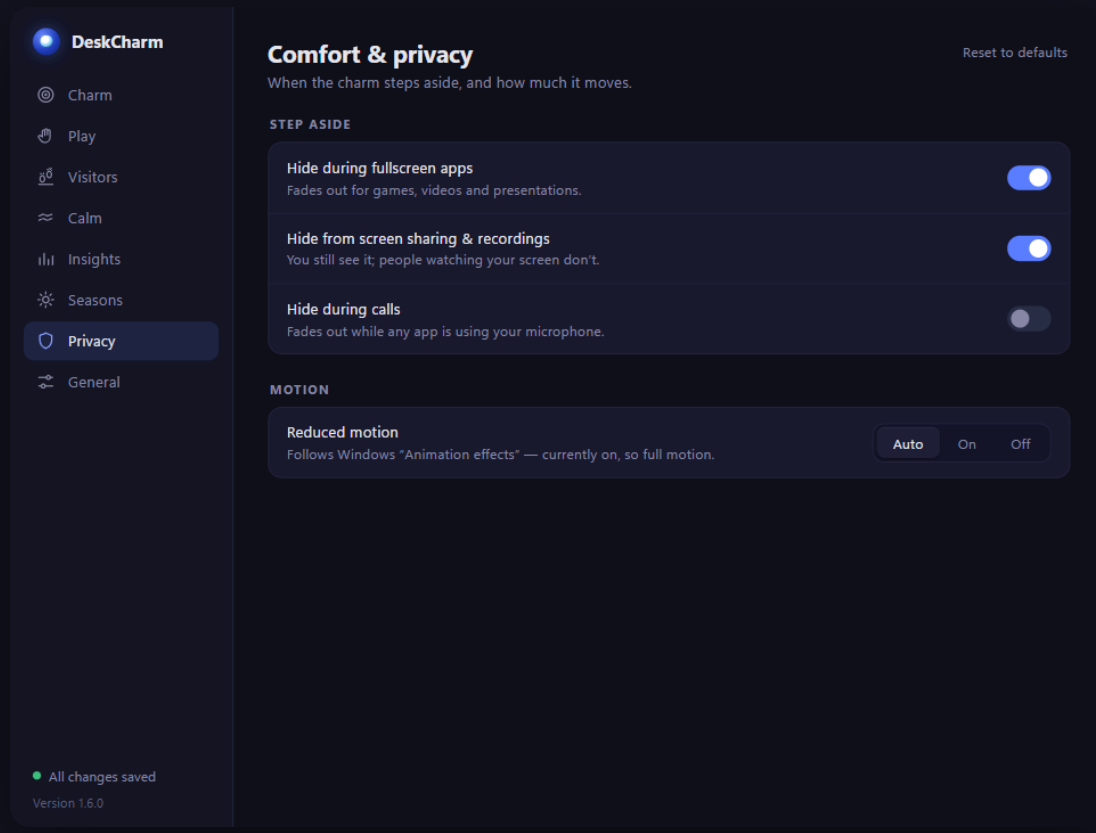

- Breaks taken, water, mood
- No scores, no guilt
- Stored only on your PC

PRIVACY

Everything stays on your PC

- No account, no tracking
- Only exceptions: update check, opt-in weather and calendar
- You can see and clear your data

FREE VS PRO

Free to love. Pro to collect.

Free

Classic charms (Nazar, Gods), all visitors, all calm tools.

Pro

Lifetime licence, 7-day trial. ₹69 launch / ₹99 on deskcharm.in. All charm packs, two charms, full Insights.

Fair

Wellness is never behind a paywall. Pro is about collecting and personalising.

TRY THE BETA

Join the beta today

1. Download

Get the Windows installer from our GitHub page.

2. Install

The build is not signed yet, so Windows may warn you. Choose “More info → Run anyway”.

3. Tell us

Share what you love and what annoys you. Every release comes from feedback.
